## Application

# Women in Technology Scholarship 2020

## Funded through Zonta International, District 13

### General Information

The world economy, industry and sciences are becoming increasingly digitised, and these developments are disrupting society and familiar social processes. Women, however, are still largely underrepresented in technology and other STEM fields. To create a world in which men and women have equal opportunities, women need to have an active role in technology and technological developments. Zonta International, District 13 is pleased to offer its Women in Technology Scholarship 2020 to encourage women to pursue education, career opportunities and leadership roles in technology.

### The Scholarship

The Women in Technology Scholarship 2020 is awarded to a woman of any age, pursuing a technology degree or closely related program or who is pursuing continued advancement in technology. Zonta International District 13 offers one scholarship equal to an amount of US\$2,000 to a woman studying or working in Zonta International District 13 areas: Denmark, Norway, Iceland and Lithuania.

### Who is Eligible?

Women of any age, pursuing a technology degree or closely related program, who demonstrate outstanding potential in the field, are eligible to apply.

Women not enrolled in a university are also eligible to apply as long as they submit:

- Evidence of completed trainings and outstanding performance.
- Description of current job with information about path that led to that job.
- Employer confirmation and recommendation or client testimonial supported by evidence.
- Reason for applying and description of desired career.
- Evidence of educational project plan (e.g. proof of course opportunities).

Golden Z club members may apply.

Classified members (club members and individuals with direct membership with Zonta International) and employees of Zonta International and Zonta International Foundation, and their family members (ancestors, descendants, adoptees, siblings, nieces or cousins, and those of their spouse or co-habiting partner), are not eligible to apply.

### How Do I Apply?

Complete this official application in English. Please note that only typed applications will be accepted and considered. All non-English documents must be translated into English. The following documents are to be submitted in the application package. The application must include:

1. Verification of current enrollment by school/institute official (if applicable)
2. Two confidential recommendations from a faculty member in the major field of study, academic advisor, organisation supervisors or volunteer supervisors. (*Classified members and employees of Zonta International and Zonta International Foundation are not eligible to write recommendation letters for applicants.*) or
3. Employer confirmation and recommendation or client testimonial supported by evidence (if applicable).
4. An essay of 500 words or less that clearly describes your academic and/or professional goals, the relevance of the program and how the Women in Technology Scholarship 2020 will assist you in reaching your goals. (Essays exceeding 500 words will not be considered.)

5. If applicable, list and include official detailed transcripts of grades or equivalent records for all universities, colleges or institutes attended with an explanation of the grading system for each transcript submitted.
6. All non-English documents must be translated into English.
7. All application materials must be received at the Zonta club by the deadline 1 September 2020. If the Zonta club contact information is not printed on the application, please locate a Zonta club in Norway, Iceland, Lithuania or Denmark by using the [Club Locator](http://www.zonta.org) at <http://www.zonta.org>, or email your name and contact information to Zonta International, District 13, Women in Technology Scholarship 2020 Coordinator: jane-100@hotmail.com. Please note that applicants may not apply to more than one Zonta club.
8. Articles, pamphlets, books, curriculum vitae or other publications are not requested and will not be considered.
9. Applications that are incomplete or late due to postal delays, transmittal by third parties, or other circumstances will not be considered. Applications are accepted by email or regular mail; however, email submissions are preferred. Applications submitted by email must be signed and sent as a PDF.

### **Application Process**

This Women in Technology Scholarship 2020 operates at the club, area and district level in Zonta International, District 13 only. Please note that applicants can not use this 2020 application form to apply to other Zonta International districts. Each application-receiving Zonta club selects the best applicant and sends the application to the District 13 Women in Technology Scholarship 2020 Evaluation Committee, which selects one applicant who will receive the Zonta International District 13 Women in Technology Scholarship 2020.

### **How May I Use the Scholarship Funds?**

1. The scholarship may be used for any expenses that support the achievement of a degree or continuing advancement in technology or a closely related field.
2. Recipients may accept additional grants and scholarships from other sources.
